

Pacing Example • Grade 1, First Quarter

This first grade progression depends on fall placement. This pacing example is for a school that has had Read Well for one or more years.

Group 1 * The very lowest first grade group in a well-implemented adoption should be able to attain mastery of somewhere between Units 26 and 30. This assumes a solid <i>Read Well</i> implementation in kindergarten preceded first grade. <i>Individual Considerations.</i> These are mitigating considerations: <ul style="list-style-type: none"> • Very low cognitive functioning—requiring an IEP. • Delayed language—requiring an IEP. • Chronic absenteeism requiring schoolwide procedures and individual interventions • Extreme behavioral difficulties requiring individualized interventions 	Unit 4 • 4 days <i>Review</i>	Unit 4 • 4 days <i>Review</i>	Unit 5 • 2 days <i>Review</i>	Unit 11 • 2 days <i>Review</i>	Unit 17 • 3 days	Unit 31 • 4 days
